I respectfully acknowledge the Traditional Custodians of the land, the Yugambeh and Jagera people and recognise that this area has always been a place of teaching and learning.

I extend my respect to the Elders, past, present and emerging for they hold the memories, the traditions, the cultures and hopes of Aboriginal and Torres Strait Islander Peoples.

Parent Teacher Interviews
Thank you to all parents who came along to last Tuesday night’s Parent / Teacher Interviews. Term Three Parent / Teacher interviews were a fantastic opportunity to discuss your child’s achievements and future goals towards their end of year report card. Every parent should have received a student learning plan, please keep this handy at home and help your child work towards attaining their next learning goal.

Prep 2017
Is your child born between 1 July 2011 – 30 June 2012? Enrolment for Prep 2017 is now open. Enrolment forms can be collected from the Junior Campus office. When returning these forms it is essential you bring your child’s birth certificate with you. Our office staff will photocopy it and return it to you. Students are unable to start school until their birth certificate has been sighted and copied. Again in Term Four we will run our Prep Readiness program. This will commence on 11 October 2016, please register for this ASAP.

Tuckshop News
The tuckshop will be closed on Friday 16 September 2016 (last day of Term 3).
If you have not arranged for your child to participate in the P & C Subway Fundraiser this Friday, please ensure children bring lunch to school.

Early Years Day
Thank you to everyone who helped in putting together an amazing day. The students and staff had so much fun with the huge variety of stalls and activities. What a wonderful celebration and fitting end to a great term.

Keep a watch on our school these holidays
With the holidays fast approaching, we need you to look out for after-hours crime in our school. If you see something suspicious, please don’t attempt to intervene. Call School Watch on 13 17 88 and let the local Police or State Government Protective Security Service deal with the matter.

The School Watch program is a partnership between the Department of Education and Training, the Queensland Police Service and the State Government Protective Security Service. It aims to reduce vandalism, theft and arson in Queensland schools. Keep the number handy and let’s work together to help create a safer school community.

I wish you all a happy and safe holiday.

**EARLY YEARS DAY 2016**
Increased attendance will increase learning achievement
When children attend school consistently it helps them reach year level benchmarks. We are currently lagging behind our Attendance across all year levels.

Our school offers additional help in classrooms to help children improve. When your child is late or away they miss the support available. Catching up on missed learning is extremely difficult! We’re asking all parents to help get students to school ON TIME EVERY DAY!

All year we have been offering support in assisting families if they are having difficulty getting their children to school. If you would like to discuss this please contact the office and make an appointment with your child’s Deputy Principal.

Opti-Minds Honours Award
We were informed last week by the Opti-Minds organisers that after all the points had been re-counted, one of our Mabel Park teams had received an Honours Award in the Language/Literacy category. Our students were recognised at a whole school parade with certificates going home before the end of term. While we are disappointed our team was not acknowledged on at the Opti-Minds presentation, we are incredibly proud of this outstanding achievement. Well done to all involved in the Opti-Minds competition!

DRAINAGE WORKS – BORMAN STREET/DARREN DRIVE

ACTIVITIES
Logan City Council will be commencing a project to undertake works on the open drain between Borman Street and Darren Drive, Stock Creek.

Works include:
• Removal of broken concrete debris;
• Redshaping of open drain;
• Repair the open drain with a rock mattress.

LOCATION & ACCESS
The works will be undertaken in the open drain at the back of house number 30 to number 38 Borman Street and house number 31 to number 35 Darren Drive, Stock Creek.

Council will access the work area via the property at number 31 Darren Drive and via the pathway between house number 38 and number 40 Borman Street. Council will have temporary traffic in place between these access points and project work area.

TIMING
Works are planned to commence in September 2016 and be completed by the end of October 2016, weather and construction conditions permitting. Works will generally be undertaken between the hours of 6:00am and 4:00pm, Monday to Friday.

WHAT TO EXPECT
Council will make every effort to minimise disruption to the community during these works. All works will be undertaken in accordance with relevant safety, communication and environmental management plans.

Due to the nature of the works, some localised construction impacts may be experienced. These may include:
• Increased levels of noise, dust and vibration adjacent to the construction site; and
• Increased truck movements to and from the work site to deliver materials and equipment and remove excavated material.

We appreciate your patience as we undertake these necessary works. If you have any questions or would like to discuss these works, please contact Council’s Construction Coordinator on (07) 3412 5368 or by email to roads.maintenance@logan.qld.gov.au.
