Every child, every day, learning and achieving

Friday 31 March 2023

Every Student – Whatever it takes!
Curriculum - Pedagogy – Relationships

From the Principal – Glenn Chippendale

It is hard to believe how fast this term has gone – and what an amazing term it has been, rounded off by the extraordinary Crazy Hat Day. The number and quality of opportunities that our staff create for our students continues to be extraordinary. I hope that, as you catch your breath over the next two weeks, you will reflect on the opportunities the staff at Mabel Park State School provide to your child/ren. I certainly believe our staff go far above and beyond to deliver a range of learning and wellbeing outcomes for students every day.

I am sure you have all seen the improvements in our grounds over recent weeks. Considerable time has been spent on improving the grounds this term. Additional facilities work will continue over the holidays and into next term. I look forward to sharing pictures of this work via newsletters and the school's Facebook page.

As we move into next term we will continue our strong focus on attendance. Attending every day is critical to your child's academic success. Additionally, attending school every day helps children to build social and emotional skills such as communication, teamwork and resilience. Our target remains 90% attendance. I continue to ask for your support by encouraging your child to attend every day.

Lastly, I have been informed that I will continue in the role of Principal at Mabel Park State School next term. I look forward to continuing to be present in the classroom and playground to support every student to succeed.

For those travelling over the holiday period, I wish you safe travels and look forward to seeing all of our students return to school on 17 April.
